

Press release

Following the previous [press release issued on 4 December 2017](#) warning of the risks associated to initial coin offerings (ICO) and investments in cryptocurrencies, the INAF wants to reiterate its position regarding the potential issues related to such types of digital assets.

In particular, the INAF wants to share the below list of trading platforms offering cryptocurrencies, that the Financial Services and Market Authority (FSMA) in Belgium, member of the International Organization of Securities Commissions (IOSCO), has issued after receiving questions/complaints from consumers and identifying signs of fraud:

www.01crypto.net
www.btc-cap.com
www.capital-coins.com
www.coinquick.net
www.cryptavenir.com
www.crypto-banque.com
www.crypto-infos.com
www.cryptos.solutions
www.cryptos-currency.com
www.ether-invest.com
www.eurocryptopro.com
www.finance-mag.info
www.gme-crypto.com
www.gmtcrypto.com
www.gmt-crypto.com
www.good-crypto.com
www.mycrypto24.com
www.nettocrypto.com
www.patrimoinecrypto.com
www.ydconsultant.com

The original statement issued by the Belgian FSMA can be found on the following [link](#).

Moreover, the INAF informs that all the warnings issued by financial authorities in relation to potential frauds can be found on the below IOSCO's portal:

http://www.iosco.org/investor_protection/?subsection=investor_alerts_portal

For additional information related to this topic, feel free to contact the INAF via this email address info@inaf.ad.
