on
the composition of the IOSCO Board**

(Resolution 5/2013)

CONSIDERING In April 2011, the Presidents' Committee tasked the transitional IOSCO Board with presenting to the Presidents' Committee a proposal about the composition of the IOSCO Board as from the Annual Meeting in 2014; and

CONSIDERING that the Presidents Committee should determine the composition of the IOSCO Board no later than the IOSCO Annual Meeting in 2014 pursuant to Section 17 of the By-Laws; and

RECOGNIZING the importance of IOSCO's role in standard setting, capacity building, market development and technical assistance, as well as the need for including the largest market jurisdictions whilst maintaining overall inclusiveness and geographical balance;

IT IS AGREED, in accordance with Section 17 of the By-Laws, that the IOSCO Board will be constituted in the following manner:

1. Eligibility for the IOSCO Board Membership will be limited to Ordinary Members which are:
 - a) Signatories to the IOSCO Multilateral Memorandum of Understanding (MMoU),
 - b) Not in arrears in paying annual membership fees, and
 - c) Active in the work of IOSCO and its Committees.

2. As from the IOSCO Annual Meeting in 2014 the IOSCO Board shall be composed of:
 - a) The 18 Members listed in Annex A ('Nominated Members') which are from jurisdictions with the largest markets (based on measures of equity market capitalization, debt market issuance, assets under management and derivatives trading),

 - c) The Chairs of the four Regional Committees,
 - d) Two Members elected by the GEM Committee from its Membership,

who meet the pre-conditions set out above under paragraph 1.

3. All Board members are nominated or elected on an institutional basis, except the Chair and Vice Chair of the GEM Committee and the Chairs of the Regional Committees, who are elected on a personal basis.
4. The list of Nominated Members shall be reviewed every four years to adequately reflect the evolution of the global securities markets. The first review will be undertaken in time for decision at the 2018 IOSCO Annual Meeting.
5. Elected Board members shall convey the views of the Committees they represent and are expected to consult with their Committee before Board meetings.
6. If the Chair of a Regional Committee or the Chair of the GEM Committee represents a Nominated Member according to paragraph 2a), that Regional Committee or the GEM Committee shall be entitled to elect one more Ordinary Member from their Memberships to the IOSCO Board. The same rule applies if the Vice Chair of the GEM Committee represents a Nominated Member according to paragraph 2a).
7. When electing their representatives, the GEM Committee and the Regional Committees should give due consideration to ensuring representation on the Board from the largest transformative markets as well as regional and sub-regional balance. One of the GEM Committee seats under paragraph 2 d) should be designated to the region that is most under-represented on the Board at the time the GEM Committee elects its representatives to the Board.

It is also agreed that the Chair or another high level representative of the European Securities Market Authority (ESMA) and the Chair or another representative of the Affiliate Members Consultative Committee (AMCC)¹ are entitled to participate on the Board as permanent observers, with speaking rights at the IOSCO Board Chair's discretion.
