

Claudia Cooper

**Finance Consultant
Peru**

Claudia has a Master of Economics from the New York University. Recently, she worked as Manager of Development and Products and Institutional Clients in Compass Group SAFI and she previously was associated member of the Research Center of the Universidad del Pacífico (CIUP). Likewise, she also worked in the Ministry of Economy and Finance (MEF), first as member of the Advisers Cabinet and then as Director of Economy and Social Affairs as well as member of the Board of Directors of the SMV and Cofide. She also had positions in the Banco de Crédito del Perú where she was Head of Analysis and Development Service, and subsequently as Treasury Manager.

Currently, she is member of the Supervisory Council and a freelance finances consultant since December past year.
