

**As indicated in its [warning](#) of 22 February 2018, the FSMA receives increasing numbers of complaints about trading platforms that claim to be active in the cryptocurrency sector. The FSMA has put together a list of cryptocurrency trading platforms about which it has received questions/complaints from consumers and has identified signs of fraud.**

**Please note**, this list does not contain all websites that may be unlawfully offering cryptocurrency trading platforms, but is **based solely on reports which the FSMA has received from consumers** and the observations that could be made as a result of those reports.

For any other questions about the above list, please feel free to contact the FSMA directly via the [consumer contact form](#) on its website.
