

IOSCO ANNUAL MEETING 2021 IN-PERSON CANCELLATION AND VIRTUAL EVENT FAQs

1. Why is the in-person event cancelled and replaced by a virtual format?

The 46th IOSCO Annual Meeting (AM), in a physical format, has been cancelled due to public health concerns linked to the ongoing COVID-19 pandemic. Given the different strains of the virus, uneven pace of vaccinations, and possible restrictions for both entry into Portugal and return to their respective jurisdictions, the current information indicates that it will be difficult to ensure that the 2021 AM can be organized successfully in person.

2. What are the dates for the virtual AM?

The virtual AM 2021 will take place from 08 to 16 November 2021.

3. How can I register to the virtual AM?

Members are invited to register online to the various meetings **by 22 October 2021**, using the following [link](#).

Please note that the registration link is only available on the Members' Area of the IOSCO Website; therefore, you will need your personal Members Area account to enter this section. (If you have not set up your own account yet, you can do so by submitting a request on the following page: https://www.iosco.org/members_area/?requestLogin=1).

Each Member Organization will be able to register up to **four (4) participants** per meeting, if you would like to register additional delegates, please contact the Secretariats Meeting and Events Team (met@iosco.org).

4. Which online platform will be used for the virtual AM 2021?

The virtual platform which will be used for the AMCC, AMERC, APRC, ERC, GEMC, IARC and MMoU MG Meetings is Webex Meetings.

The Board and the PC Meetings will be conducted with Webex Events.

Joining instructions for the various meetings will follow after the registration deadline.

5. How can I attend CMVM Annual Conference?

The [CMVM Annual Conference](#) planned in conjunction with the IOSCO 46th Annual Meeting, which will also celebrate CMVM's 30th Anniversary, will be held on 04 and 05 November in a hybrid format.

Under the title *Global Capital Markets Understanding the Future*, the event will gather expertise from around the globe to discuss the major trends shaping the future of global capital markets in the

post-pandemic recovery. The Conference will include a session on financial stability which will be co-organised by CMVM and IOSCO.

IOSCO members can register for free to attend the conference online using this [link](#). Should members wish to participate in the CMVM conference physically in Lisbon please e-mail support@cmvm.pt.

6. Other queries and/or comments:

Should you have any queries and/or comments which are not covered in these FAQs, please feel free to contact the IOSCO General Secretariat and/or the CMVM via the following contact details:
