### *Online Registration for virtual AM 2020 and Virtual platform*

Members are invited to register online for the AM by **25 October 2020**, using the following [link](#).

Please note that:

- The registration link is only available on the Members' Area of the IOSCO Website; therefore you will need your personal Members Area account to enter this section. *(If you have not set up your own account yet, you can do so by submitting a request on the following page: [https://www.iosco.org/members\\_area/?requestLogin=1](https://www.iosco.org/members_area/?requestLogin=1)).*
- Each Member Organization will be able to register up to four (4) participants per meeting.

If you have a question or encounter any issues with your registration please do not hesitate to contact the Meeting and Events team at [met@iosco.org](mailto:met@iosco.org)

The virtual platform which will be used for the virtual AM 2020 is **Webex**. Further information about how to connect to each meeting will follow in due course.

### *Bilateral meetings*

In-person Annual Meetings have traditionally also provided an opportunity for members to hold bilateral meetings in the margins of the official meeting program. Given that the AM 2020 will take place in a virtual format, any bilateral meetings will also need to take place virtually; members are encouraged to

arrange any bilateral meetings they may need directly among themselves during the month of November 2020.

***Capacity building events in conjunction with the AM 2020***

Traditionally regulatory workshops are held during in-person Annual Meetings. Due to the virtual format of the AM 2020, these workshops will not take place this year. However, members are invited to participate in the virtual ***13<sup>th</sup> Annual AMCC Training Seminar on 4-5 November 2020***. The Training Seminar will feature panels, case studies, and presentations on a variety of topics related to retail investor protection, enforcement, emerging markets, remote supervision, and derivatives.

For questions regarding the AMCC Training Seminar, please contact [amcc@nfa.futures.org](mailto:amcc@nfa.futures.org) and [amccteam@iosco.org](mailto:amccteam@iosco.org).

In addition, IOSCO is hosting together with the Financial Stability Institute (FSI) the ***15<sup>th</sup> Joint FSI-IOSCO Conference on Securities Trading Issues and Market Infrastructure on 19-20 November 2020***. This year's conference focuses on COVID-19, digital innovation and financial market infrastructure, and on remaining challenges in transitioning away from IBORs and the progress on LIBOR "end game". For questions regarding the FSI-IOSCO Conference, please contact [capacitybuilding@iosco.org](mailto:capacitybuilding@iosco.org).

***Contact for further questions regarding the virtual AM 2020***

For general questions regarding the AM 2020 schedule, please consult the [FAQs](#) or contact the Secretariat's Meetings and Events Team at [met@iosco.org](mailto:met@iosco.org).
