Wednesday, 18 November 2020	13.00-15.00	Presidents Committee (PC)

Bilateral meetings

In-person Annual Meetings have traditionally also provided an opportunity for members to hold bilateral meetings in the margins of the official meeting program. Given that the AM 2020 will take place in a virtual format, any bilateral meetings will also need to take place virtually; members are encouraged to arrange any bilateral meetings they may need directly among themselves during the month of November 2020.

Capacity building events in conjunction with the AM 2020

Traditionally regulatory workshops are held during in-person Annual Meetings. Due to the virtual format of the AM 2020, these workshops will not take place this year. However, members are invited to participate in the virtual **13th Annual AMCC Training Seminar on 4-5 November 2020**. The Training Seminar will feature panels, case studies, and presentations on a variety of topics related to retail investor protection, enforcement, emerging markets, remote supervision, and derivatives.

For questions regarding the AMCC Training Seminar, please contact amcc@nfa.futures.org and amccteam@iosco.org.

In addition, IOSCO is hosting together with the Financial Stability Institute (FSI) the **15th Joint FSI-IOSCO Conference on Securities Trading Issues and Market Infrastructure on 19-20 November 2020**. This year's conference focuses on COVID-19, digital innovation and financial market infrastructure, and on remaining challenges in transitioning away from IBORs and the progress on LIBOR "end game". For questions regarding the FSI-IOSCO Conference, please contact capacitybuilding@iosco.org.

Registration for virtual AM 2020

We will provide details regarding registration and the virtual platform(s) which will be used for the virtual AM 2020 shortly.

Please continue to monitor also the IOSCO home page (<https://www.iosco.org/>) for updated information.

Contact for further questions regarding the virtual AM 2020

For general questions regarding the AM 2020 schedule, please consult the [FAQs](#) or contact the Secretariat's Meetings and Events Team at met@iosco.org.
