

General Information

The International Organization of Securities Commissions (IOSCO) is an international association of securities regulators that was established in 1983. Its General Secretariat is based in Madrid, Spain.

The objectives of IOSCO's members are:

- > to cooperate in developing, implementing and promoting adherence to internationally recognized and consistent standards of regulation, oversight and enforcement to protect investors, maintain fair, efficient and transparent markets and to mitigate systemic risks;
- > to enhance investor protection and promote investor confidence in the integrity of securities markets, through strengthened information exchange and cooperation in enforcement against misconduct and in the supervision of markets and market intermediaries; and
- > to exchange information at both global and regional levels on their respective experiences to assist the development of markets, strengthen market infrastructure and implement appropriate regulation.

Structure of IOSCO

The Presidents Committee, as the plenary body of IOSCO, meets once a year during the IOSCO Annual Conference and is attended by ordinary and associate members. Affiliate members attend the meeting, though voting rights are restricted to ordinary members.

The Board is the day to day governing body of IOSCO. Today, the IOSCO Board is composed of 34 members and two observers:

- > 18 Nominated Members from jurisdictions with the largest markets (based on a variety of factors);
- > The Chair and the two Vice Chairs of the Growth and Emerging Markets (GEM) Committee who are elected;
- > The Chairs and the Vice Chairs of the four Regional Committees who are elected;
- > One Member from the GEM Committee Membership who is elected; and
- > One Member from each of the four Regional Committees who is elected.

Ashley Alder, the Chief Executive Officer, Securities and Futures Commission, Hong Kong, has been the

Chair of the Board since IOSCO's Annual Meeting held in Lima, Peru in May 2016. During 2018, he was supported by two Vice Chairs; Jean-Paul Servais, Chairman, Financial Services and Markets Authority, Belgium (elected by the Board in May 2016) and Ranjit Ajit Singh, Chairman of the Securities Commission Malaysia (ex-officio as GEM Chair). Mr. Singh stepped down in late 2018, when he also retired as Chair of the SC Malaysia, and was succeeded by Dr. Obaid Al-Zaabi, Chief Executive Officer of the UAE Securities and Commodities Authority. The observers in 2018 were the Chair of the IOSCO Affiliate Members Consultative Committee, Karen Wuertz, Senior Vice-President, Strategic Planning and Communications, National Futures Association, United States, and the Chairman of the European Securities and Markets Authority of the European Union, Steven Maijoor.

The Growth and Emerging Markets Committee (GEM Committee) is the largest committee within IOSCO, representing almost 80% of the IOSCO's ordinary membership. As noted, Dr. Al-Zaabi of the United Arab Emirates chairs this committee. The two Vice-Chairs are Dr. Ünal Eryilmaz, Board Member, Capital Markets Board, Turkey, and Mr. Syed Zaid Albar, Chairman, Securities Commission Malaysia. The GEM Committee seeks to promote the development and greater efficiency of emerging securities and futures markets by providing training programs and technical assistance for members and facilitating the exchange of information and transfer of technology and expertise.

The GEM Committee's strategic priorities are focused on a variety of matters including risks and vulnerabilities assessments, policy and development work affecting emerging markets and regulatory capacity building.

The GEM Committee comprises 90 members and 22 non-voting associate members that include some of the world's fastest growing economies and 11 of the G-20 members.

IOSCO is the one of the few international standard setters that has a committee dedicated to emerging market issues. This inclusiveness increases IOSCO's effectiveness and positions it to play a more significant role in shaping the global regulatory framework.

IOSCO also has four regional committees, which meet to discuss matters specific to their respective regions and jurisdictions and contribute a regional perspective to Board discussions:

- > Africa/Middle-East Regional Committee;
- > Asia-Pacific Regional Committee;
- > European Regional Committee; and
- > Inter-American Regional Committee.

Self-regulatory organizations (SROs) and other affiliate members (see below for a full description) are members of the **Affiliate Member Consultative Committee (AMCC)**. IOSCO recognizes the importance of maintaining a close dialogue with its affiliate membership and encourages its input into IOSCO's policy development work.

Annual Meeting

IOSCO's members meet every year at its Annual Meeting to discuss important issues related to global securities markets regulation. Event information can be found at www.iosco.org.
