The AMF is warning the public against several companies proposing atypical investments without being authorised to do so

The Autorité des Marchés Financiers regularly updates its black lists of new websites and entities proposing atypical investments to investors in France without being authorized to do so.

Here is the list of the new websites recently identified in the atypical investments category:

— ewgholding.com/fr
— investir-dans-l-or.site.sitekick.ai
— mevent-bottom416.com
— truffis.com

Any offer to invest in miscellaneous assets must be registered with the AMF to be marketed. The white list of offers recorded in miscellaneous assets is available on the AMF website.

Since January 1, 2023, the AMF has added 5 websites to its list of unauthorized entities proposing atypical investments. In 2022, it added 20 websites to this list, of which 12 in the “wine” category.
The AMF is warning the public against several companies proposing atypical investments without being authorized to do so. The list of all sites not authorized to offer investments in various goods is available on the AMF website (section: Retail Investors → Warnings → Blacklists) and on the Assurance Banque Épargne Info Service - ABEIS website (section: Épargne → Protecting yourself against scams → Blacklists of unauthorized websites and entities).

Please note that this list is updated regularly but does not claim to be exhaustive, as new unauthorized actors appear regularly. In addition, the registration decisions issued by the AMF can be consulted on the AMF website. If the player who solicits you is not on this list, we strongly advise you not to respond to their solicitations. In the event of suspicious solicitations, we invite the persons concerned to report them to us by telephone, using the online form or the AMF Protect Épargne application.

Do you have any questions? You can find information on the AMF website:
You can also check the AMF Protect Épargne application: [https://protectepargne.amf-france.org/](https://protectepargne.amf-france.org/)

**About the AMF**

The AMF is an independent public authority responsible for ensuring that savings invested in financial products are protected and that investors are provided with adequate information. The AMF also supervises the orderly operations of markets. Visit our website [https://www.amf-france.org/en](https://www.amf-france.org/en)
