

Maria Helena Pettersson

Maria Helena is a retired audit partner with over thirty years of experience in public accounting with PWC and EY in Brazil and in Sweden.

Maria Helena has also had extensive experience acting as coordinating partner serving various multinational and Brazilian listed companies, including SEC listed companies. She led large and complex audits and consulting engagements what gave her a strong background in financial reporting, compliance, internal controls and corporate governance.

She is currently an independent advisor to Board of Directors, an Audit Committee member and a member of the Public Interest Oversight Board.

Maria Helena is graduated in accounting and business in Brazil and is Vice President of the Brazilian National Association of Accountants and Finance Professionals.
