RE: Exposure Draft: Effective Date of Amendments to IFRS 10 and IAS 28

Our Reference: 2015/JE/C1/IASB/89

Dear IASB Members:

The International Organization of Securities Commissions (IOSCO) Committee on Issuer Accounting, Audit and Disclosure (Committee 1 or C1) thanks you for the opportunity to provide our comments regarding the International Accounting Standards Board (IASB or the Board) Exposure Draft: Effective Date of Amendments to IFRS 10 and IAS 28 (the Exposure Draft or ED).

IOSCO is committed to promoting the integrity of international markets through promotion of high quality accounting standards, including rigorous application and enforcement. Members of Committee 1 seek to further IOSCO’s mission through thoughtful consideration of accounting and disclosure concerns and pursuit of improved transparency of global financial reporting. The comments we have provided herein reflect a general consensus among the members of Committee 1 and are not intended to include all of the comments that might be provided by individual securities regulator members on behalf of their respective jurisdictions.

**General Observations**

Under the circumstances, members of Committee 1 do not object to the Board’s proposal to delay the effective date of Sale or Contribution of Assets between an Investor and its Associate Joint Venture until such time as it has finalized amendments, if any, that result from its research project on the equity method.
We appreciate your thoughtful consideration of the comments in this letter. If you have any questions or need additional information on the recommendations and comments that we have provided, please do not hesitate to contact me at 202-551-5300.

Sincerely,
